Fine for me... seems reasonable as we're only talking a few weeks.

All—Please see Tom Knauer's response to our stip letter below.

I have no problem with a reasonable extension to respond until after the holidays. Let me know if you do.

Dennis:

I just received a copy of your December 2 letter (attached) from John Sheridan at AdvanSix' Hopewell Plant. I moved my office from the Main Street address in Richmond in 2013 so I think you will probably get the letter returned as non-deliverable at that address. (My current office address is listed below.)

I am consulting with the AdvanSix Team today and expect to be back to you very shortly, most likely to request an extension of the deadline to respond to your letter until after the Christmas/New Years holidays. If you have any questions before I get back to you, please don't hesitate to call me.
